List of compatible headsets and system requirements to live the virtual experience through **Virtuo VR**

1 – Oculus Quest 2

Link for purchase:

<https://www.oculus.com/quest-2/>

This is a wireless headset, however, to make it suitable for Virtuo it is necessary to provide it with a 3 meters wire, that you can extend by another 5 meters (total of 8 meters)

See here below the links for wires purchase:

Wire
